Weingut Ritterhof - LATUS | Südtiroler DOC Lagrein Italy (ALTO ADIGE - SUD TIROL) — 2023

Domain

Weingut Ritterhof

Enclosed in the middle of mountains and vineyards along the South Tyrolean wine route lies the wine village of Kaltern, and it is exactly here, on the wine route No. 1, that the Ritterhof winery is located. The small winery is managed with dedication by the Roner family from Tramin. Traditions have been passed on from generation to generation, combined with harmony with nature and the latest technology. These elements form the basis for the production of fruity white and full-bodied red wines.

Vinification

After a short maceration, the selected grapes are fermented for 12 days at a constant temperature of 28 ° C. The wine then ages for 12 months in French barriques and large wooden barrels. A manual harvest occurs with the greatest care regarding maturity, usually at the end of September. The yield in the vineyard is 58 hectoliters per hectare.

Taste

This wine has a dark, garnet red color. In the nose we find aromas of blueberries, plums and wild cherries. It is a full-bodied wine with decent tannins and a long finish.
