The Arran Malt - Island Malt Whisky 10Y - 46% WHISKY —

Domain

Arran

Production began at our first distillery in beautiful Lochranza almost 30 years ago. Many other locations were considered at the time, but the proximity to Loch na Davie provided us with a rather special source of fresh water for distilling. We knew this would hold us in good stead in the years to come. Our second distillery opened in the south of the island in 2019 at Lagg, where we make a very unique style of peated single malt.

Vinification

Single malt whisky aged for 10 years.

Taste

Luscious citrus fruit in the nose. On the palate, the initial rush of rich vanilla sweetness gives way to a touch of cinnamon which adds a spicy edge to the soft and sweet texture. The classic Arran citrus notes have rounded with age and reveal new depths of character against a background of sweet oak. Sweetness, apple, citrus, cinnamon in the finish.
