**Hendrick's - Gin - 41,4%**  
**GIN —**

### **Vinification**

HENDRICK'S GIN is created via an absurdly inefficient, yet quite glorious process. In essence, to make one gin, we first create two. One on an old-fashioned pot still, yielding a rich and intricate spirit. The other on a long-necked Carter Head, producing a delicate, more refined spirit. Each still is infused with an unusual symphony of 11 botanicals: chamomile, elderflower, juniper, lemon peel, orange peel, caraway, coriander, cubeb berries, angelica root, yarrow root and orris root. The gins from the two stills are then married together and graced with curious yet marvelous infusions of Rose and Cucumber.

### **Taste**

Hendrick's is an unusual gin created from eleven fine botanicals. The curious, yet marvellous, infusions of rose & cucumber imbue our spirit with its uniquely balanced flavour resulting in an impeccably smooth distinct gin

### **General information**

Type: Aperio & Digestif
