Tomintoul - Speyside Single Malt Whisky 10 y Old - 40% WHISKY —

Domain

Tomintoul

The area surrounding Tomintoul Distillery is one of astounding natural beauty. This natural environment combined with the fresh mountain air of the Cairngorms, the soft, pure water from the Ballantruan spring and the tall and mighty stills of Tomintoul, all contribute to creating our exceptionally smooth and well-balanced whisky. Master Distiller, Robert Fleming, who is a fourth generation Speyside distiller, has been the custodian of Tomintoul for more than 30 years. It's Robert and his dedicated and passionate team who are responsible for handcrafting every drop of Tomintoul Single Malt. They use traditional production techniques that stretch back hundreds of years, to handcraft a wide range of award-winning Tomintoul Single Malt Scotch Whiskies.

Vinification

Tomintoul Aged 10 Years has been lovingly crafted from a selection of the finest bourbon casks, each aged for at least ten years.

Taste

Golden colour. Delicate and floral nose with aromas of acacia honey, vanille, wholemeal toast and mellow wood spices. On the palate, sweet and honeyed with layers of creme caramel, toasted almond, highlights of lemon zest and a grassy finish.

General information

Type: Apero & Digestif
