Domain

Glendronach

The Glendronach Distillery boasts a rich history. Around 200 years ago, James Allardice founded the distillery, making it one of the first Scottish distilleries to obtain an official license. To this day, despite a brief hiatus from 1996 to 2002 and several ownership changes, it continues to produce high-quality Single Malt Highland Whisky. The role of master blender is currently held by Rachel Barrie.

Vinification

This superb richly sherried single malt is matured for at least 12 years in a combination of the finest Spanish Pedro Ximénez and Oloroso sherry casks. Natural colour and bottled at 43%, The GlenDronach 12 year old is a sweet, creamy dram.
