Luigi Francoli - Grappa Barrique del Limousin - 42,5% GRAPPA —

Domain

Francoli

Originally started by Luigi Guglielmo in 1875, the distillery has been officially owned by the Francoli family in the Piedmont region of northern Italy for five generations. At Francoli, high-quality wine distillates are produced from Piedmont (Alba, Barolo, Moscato d'Asti), but also from other Italian regions, such as Veneto (Prosecco).

Vinification

Nebbiolo 60%, Dolcetto 35%, Moscato 5%. De franse eiken vaten waarin de rijping gebeurt, zijn afkomstig van het Limousin bos.

Taste

De kleur is intens goudgeel, helder en transparant. Het bouquet is zuiver, geurig met hints van geroosterde hazelnoten, vanille, rozijnen, gekonfijt fruit. Een zachte en ronde smaak, met aangename hout kenmerken in perfecte balans met de warmte van de alcohol. De finale geeft delicate nuances van hazelnoot en tropisch fruit.

General information

Type: Apero & Digestif
