Francoli - Grappa Riserva 7 y Old - 42,5% GRAPPA —

Domain

Francoli

Originally started by Luigi Guglielmo in 1875, the distillery has been officially owned by the Francoli family in the Piedmont region of northern Italy for five generations. At Francoli, high-quality wine distillates are produced from Piedmont (Alba, Barolo, Moscato d'Asti), but also from other Italian regions, such as Veneto (Prosecco).

Taste

Deze grappa gemaakt van de Nebbiolo, Barbera en Dolcetto wijndroesem is extra mild van smaak doordat deze na de traditionele distillatie eerst nog 7 jaar op franse eikenhouten vaten heeft gerijpt. In de neus toetsen van hout, vanille en rozijnen. Een boeket van gedroogd fruit. In de mond zacht en rond, complex, in evenwicht en met zachte tannines.

General information

Type: Apero & Digestif

Storage (years): > 10
