**Domain**

**Caol Ila**

Pronounced 'Cull-Eela', the distillery is situated on the North-Eastern shores of Islay with magnificent views across the Sound of Islay to the spectacular Paps of Jura.

**Taste**

Pale, straw yellow colour. In the nose, we discern a lemony fruitiness with only delicate traces of peat. Sweet attack with smoky notes and a long finish. Soft and pleasant mouthfeel with fresh acids and a perfect balance between salty sea air and sweet fruit. A complex balance of primary flavours and sweet vanilla.

**General information**

Type: Aperero & Digestif
