Cognac Vaudon - Extra 40 y Old - 44% | Cognac Fins Bois Carafe with giftbox
COGNAC —

Domain

Vaudon

It all started in 1771, when Francois Gaborit bequeathed his Mérignac domain and vineyards to his stepson, Pierre Nalbert. For generations, the domain grew and evolved. Fast forward to the 20th Century: Denis Nalbert, then Pierre Mousset planted a large part of today's vineyards and installed the first 25hl still. The second was installed by Bernard Vaudon.
Today, Anne-Marie Vaudon and Pierre Vaudon are the custodians of this history and know-how.

Vinification

100% fins bois. Double distillation with lies. Ageing in Limousin new oak barrels of 350 L with a medium toast.

Taste

A spicy aromatic sensation carried on cinnamon balanced by notes of walnut shell overhung by that rancio marker of beeswax. This Cognac is a beautiful signature of the Fins Bois terroir! This Cognac wraps your tongue with an ample attack. The higher level of alcohol brings a long and structured aftertaste of nuts and liquorice with elegancy.
