Cognac Vaudon - Double Cask Matured 10 y Old - 43% | Cognac Fins Bois
COGNAC —

Domain

Vaudon

It all started in 1771, when Francois Gaborit bequeathed his Mérignac domain and vineyards to his stepson, Pierre Nalbert. For generations, the domain grew and evolved. Fast forward to the 20th Century: Denis Nalbert, then Pierre Mousset planted a large part of today's vineyards and installed the first 25hl still. The second was installed by Bernard Vaudon.
Today, Anne-Marie Vaudon and Pierre Vaudon are the custodians of this history and know-how.

Vinification

Having aged for 10 years in Limousin wooden barrels, Vaudon Double Cask Fins Bois Cognac is finished in new American oak casks of 225 L during its last phase of the aging process.
