Domaine Fayolle - Les Pontaix Rouge | Crozes Hermitage | BIO Syrah France (RHONE) — 2022

Domain

Dom. Fayolle

Domaine Fayolle is located in the heart of Gervans (Northern Côtes du Rhône), north of Valence. It is a region full of beautiful panoramic views. Today, the estate is run by Céline Nodin and Laurent Fayolle, brother and sister and sixth-generation winegrowers. The estate covers 10 hectares of vineyards and features a beautiful vaulted cellar where the wines are aged in oak barrels. Since 2022, they have been certified in organic viticulture.

Vinification

Vineyards with an average age of 40 years, located in the lieu-dit Les Pontaix, north of the Crozes-Hermitage appellation. The vineyards are situated on a south-facing clay-limestone hillside. After careful harvesting, fermentation, and pressing, the wine is aged in 500-liter barrels (demi-muids).

Taste

Red fruit, violets, spice, and leather on the nose. On the palate, we are treated to notes of licorice and cherries, along with a distinctive minerality thanks to the old vines. A highly concentrated and juicy wine with a pleasant, long finish. A wine full of character.

Food pairing

Entrecote | Feathered game | Leg of lamb | Game pie

General information

Type: Red wine
Grape varieties: Syrah (100%)
Viticulture: Organic
Storage (years): + 5-7
Serving temperature: 16-17 °C
Taste profile: Elegant refined
