

Domaine Fayolle – Les Pontaix Rouge | Crozes Hermitage | BIO Syrah France (RHONE) – 2022

Vinification

Average age of the vineyards is 40 years. All vines used for this wine are planted in lieu-dit Les Pontaix, in the northern part of the appellation.

Taste

Black fruit, violets, spiciness and leather on the nose. On the palate, impressions of liquorice and cherries, with typical minerality thanks to the old vines. Very concentrated, very juicy wine with a pleasantly long finish. Wine full of character.

Food pairing

Entrecote | Feathered game | Leg of lamb
