Domain

Dom. Rossignol Trapet

A domain that grew out of the success of Louis Trapet, a historical figure in the Côtes de nuits. The tradition of wine-growing with the Rossignol family goes back to the 16th century and into the 18th century with the Trapet family. They joined forces and brought together their centuries of expertise and have been growing Pinot Noir together in the Burgundy region ever since. Today this 11-hectare farm is run by his two sons.
