## **Domaine Saint Amant – Grangeneuve | Beaumes de Venise France (RHONE) – 2020**

### **Vinification**

Harvesting is done by hand, by a team from the family. A long maceration of all grapes together, in a large oak barrel of 20 years old. This is where the alcoholic fermentation and malolactic fermentation start spontaneously. After fermentation, the wine matures for 1 year in the same barrel.

### **Taste**

Dark ruby-red tinged with crimson. Black fruits are accompanied by toast and pepper touches on the nose. The palate is lively yet silky to start with sun-kissed flavours. The full freshness of the Mistral wind is delivered on the finish in this distinctively Rhone-style wine

### **Food pairing**

Meat - red | Cheese - cheese pater | Feathered game | Duck
