Château Lancyre – Clos des Combes | Pic Saint Loup France (LANGUEDOC) – 2021

Domain

Ch. de Lancyre

The Château de Lancyre vineyards are located in the south of France on an exceptional terroir of the Languedoc, the prestigious Pic Saint Loup appellation.

At the foot of the Pic St Loup, between the Cevennes and the Mont Ventoux, lies the Château de Lancyre. The castle was built in the sixteenth century on the ruins of a 12th century fortress. The castle and the 37 hectares of vineyards were bought by the Durand family in 1970. Renovation started immediately, and Syrah and Grenache vines were planted. Today, this domain consists of 128 hectares of AOC vineyards.

Vinification

Traditional wine-making methods. Total destemming. 18-day vatting with temperature control (25°C maximum). Pumpingover, rack-and-return and punching of the cap depending on tasting results. Tank ageing in an air-conditioned cellar.

Taste

Beautiful deep, brilliant red with bluish tints. Smoke aromas emerge first on the nose followed by ripe cherry and garrigue herb notes of thyme and rosemary. The palate is very round, fruity, rich and full with substantial length. The tannins are very silky and round and the finish spicy and liquoricy.

Food pairing

Game - rabbit, Duck, Cheese - tomme

General information

Type: Red wine

Grape varieties: Syrah (50%), Grenache (50%)

Viticulture: Traditional

Storage (years): + 3-5

Serving temperature: 16-18 °C
