Château Lancyre - Clos des Combes | Pic Saint Loup | BIO France (LANGUEDOC) — 2024

Domain

Ch. de Lancyre

The Château de Lancyre vineyards are located in the south of France on an exceptional terroir of the Languedoc, the prestigious Pic Saint Loup appellation.
At the foot of the Pic St Loup, between the Cevennes and the Mont Ventoux, lies the Château de Lancyre. The castle was built in the sixteenth century on the ruins of a 12th century fortress. The castle and the 37 hectares of vineyards were bought by the Durand family in 1970. Renovation started immediately, and Syrah and Grenache vines were planted. Today, this domain consists of 128 hectares of AOC vineyards.

Vinification

The yield per hectare is limited to 45hl per ha. Traditional vinification: 18 days cuvaison, with the necessary remontages, délestages and pigeages (pumping or flooding of juice, quick emptying and pouring of juice, stirring must). After this, the wine is raised in an air-conditioned cellar, for at least 8 months in large cuves.

Taste

This wine has a deep red color with a purple sparkle. In the nose aromas of wild blueberries, lightly smoked, and cherries. These fade and give way to soft notes of licorice and herbs. In the mouth the wine is round, fruity, rich and full. Long, silky finish with a persistent taste of cashew nuts, spices and cedar & licorice.

Food pairing

Calf - smoked | Roast | Duck | Cassoulet | Cheese - tomme

General information

Type: Red wine
Grape varieties: Syrah, Grenache
Viticulture: Organic
Storage (years): + 3-5
Serving temperature: 16-18 °C
Taste profile: Complex generous
