

Domaine des Crès Ricards | IGP Pays d'Oc Cabernet Sauvignon France (STREEKWIJN/IGP) – 2022

Domain

Dom. des Crès Ricards

Domaine des Crès Ricards is a relatively new domain in the 'world of wine'. The domain is 28 hectares and is located in the west 35 km from Montpellier in the heart of the Côte de Languedoc (Terrasses de Larzac). The vineyards are planted 60m above sea level. Syrah, Grenache, Carignan, Merlot, Cabernet Sauvignon, Alicante, Marselan and Chardonnay were cultivated on these terraces with stony ground. This domain always works with low yields (+/- 40hl / ha).

Taste

All expressions of the vines can be found in this wine. In the nose this wine gives impressions of coffee beans, cocoa and mulberries. In the mouth a juicy attack, some thyme, pepper and bay leaf with substantiated tannins, ending in a floral finale.
