## Domain

### Dom. Gerard Fiou

Domaine Gérard Fiou is a historic domain located in the Sancerre AOP, located in Saint-Satur, a small village. Domaine Gérard Fiou is a private family estate that was founded by the ancestors of Gérard Fiou. Today, the wine estate, 10 hectares in size and with 100% silex substrate, is entirely in the hands of the Bourgeois family.

## Vinification

Vinified in temperature-controlled stainless steel vats, this wine is aged on its fine fermentation lees, which are regularly put back into suspension by stirring for over 6 months.

## Taste

This white Sancerre has aromas of gunflint and a spicy bouquet, powerful in fruit and body, reminiscent of Sauvignon flowers and vine sap. With an exemplary balance, finesse and harmonious expression, it develops all its elegance as it matures in bottle.
