## Château Siaurac Lalande de Pomerol France — 2016

### Domain

#### Ch. Siaurac

Chateau Siaurac is a family domain created in 1832 and is located near the plateau of Pomerol. It has an area of 41.7 hectares, spread over 40 plots. The plot now belongs to Paul Goldschmidt and is managed by Yannick Reyrel (ex-Petrus).

### Vinification

The average age of the vines is 30 years. The fermentation is temperature controlled with a soft extraction. The aging takes place for 12 to 14 months in French oak barrels, medium roasted, of which 20% new.

### Taste

One of the sleepers of the vintage, the 2016 Siaurac is a gorgeous, racy Lalande de Pomerol endowed with tons of class and personality. Silky and voluptuous, but not at all overdone, the 2016 finds a super-appealing stylistic middle ground that captures plenty of intensity in both aromas and flavors. Blue/purplish fruit overtones, lavender, herbs and mint shade into the persistent, nuanced finish.
