

Château de l'Hospital Blanc | Graves | BIO France (GRAVES) — 2023

Domain

Ch. de l'Hospital

Château L'Hospital is a historic monument from the neoclassical period. This Château is located in the town of Portets, about 24 kilometers south-east of Bordeaux. The vineyards are located within the Graves appellation. The new Swiss owner, Marcel Disch, is determined to make his domain one of the best in this appellation.

Vinification

Partial manual harvest during the cool morning hours. The vineyard covers 3 hectares and accounts for a yield of 20 hl/ha. The must is obtained by pneumatic pressing and undergoes cool fermentation at 20 °C. This allows the wine to retain its fresh, fruity aromas. Aged partly in inox (50%) and partly in wood (50%).

Taste

We notice a bright, pale yellow colour in the glass. Notes of blossom and fruit (apricot and peach) jump out of the glass. This wine spoils us with its fleshy and complex mouthfeel and a long, aromatic finish.

Food pairing

Oysters - scalloped | Fish - salmon | Fish - sole | Aperitif

General information

Type: White wine

Grape varieties: Sauvignon blanc (80%), Sémillon (20%)

Viticulture: Organic

Storage (years): + 3-5

Serving temperature: 8-10 °C

Taste profile: Aromatic fresh
