

## **Château Phélan Ségur | St.-Estèphe France (SAINT-ESTÈPHE) — 2018**

### **Domain**

#### **Ch. Phélan Ségur**

Located in the Médoc, created by the merged vineyards "Clos de Garaméy" and "Château Ségur". Château Phélan-Ségur has an 89 ha vineyard. It is an exceptional castle because the living area, the production space and the sales space are integrated. Quality is assured thanks to a controlled yield, the latest techniques and the best winemakers.

### **Vinification**

September to October: the storm on 6 September (80% of the month's rainfall) allowed us to avoid too much water stress and created ideal ripening conditions

### **Taste**

Intense ruby red colour with purple reflections. Pure nose with an incredible intensity, dominated by notes of red fruit at perfect ripeness. Rich and harmonious attack, exceptional tannic structure, persistent and fleshy finish. Freshness, balance and great power characterise the vintage.

### **Food pairing**

Cheese - strong | Lamb | Lamb carré - roasted | Steak - grilled

### **General information**

Type: Red wine

Grape varieties: Cabernet Sauvignon (57%), Merlot (43%)

Viticulture: Traditional

Storage (years): "> 10"

Serving temperature: 17-18° C

Taste profile: Complex with firm tannins
