

**Domaine Duclaux - La Germinie |
Côte-Rôtie
France (RHONE) – 2017**

Domain

Dom. Duclaux

This 5.5 hectare domain was established in 1928. Today the domain is managed by brothers Benjamin and David (4th generation). It is located in the French municipality of Tupin et Semons, in the south of the Côte-Rôtie appellation. The vines are 30 to 35 years old on average.

Taste

Like the other Côte Rôties from Duclaux, the 2017 Cote Rotie La Germinie is medium-bodied, emphasizing the elegance and delicacy of the southern end of the appellation. A liniment-like minty, herbal note marks the nose, joined by red raspberries. This is ripe, marked by supple tannins and a creamy texture, without going overboard, with a juicy, silky finish.

Food pairing

Beef cheeks in red wine, Dishes with truffle, Leg of lamb, Steak - grilled
