Château Lancyre - D'ombre et de lumière | Coteaux du Languedoc | BIO France (LANGUEDOC) — 2024

Domain

Ch. de Lancyre

The Château de Lancyre vineyards are located in the south of France on an exceptional terroir of the Languedoc, the prestigious Pic Saint Loup appellation.
At the foot of the Pic St Loup, between the Cevennes and the Mont Ventoux, lies the Château de Lancyre. The castle was built in the sixteenth century on the ruins of a 12th century fortress. The castle and the 37 hectares of vineyards were bought by the Durand family in 1970. Renovation started immediately, and Syrah and Grenache vines were planted. Today, this domain consists of 128 hectares of AOC vineyards.

Vinification

This wine is produced from grape vines on a limestone soil, then fermented and aged for 4 months in oak barrels.
