Château Lagrange | Pomerol
France (POMEROL) — 2019

Domain

Ch. Lagrange

This small estate, located on the Pomerol plateau, was purchased in 1953 by Etablissements Jean-Pierre Moueix. The vineyard is situated north of the plateau of Pomerol and consists mainly of clay and stones.

Vinification

As in the other domains of Etablissements Jean-Pierre Moueix, much attention is paid here to the organic cultivation of wine. The grapes are still picked by hand and afterwards they are fermented in cement tubs.

Taste

We notice a ruby red color in the glass. In the nose we distinguish the aromas of black currants and pepper. In the mouth a rustic pallet with nicely rounded tannins. Smooth in the mouth with a long final.

Food pairing

Meat - red, grilled | Partridge | Rabbit

General information

Type: Red wine

Grape varieties: Merlot, Cabernet Franc

Viticulture: Traditional

Storage (years): > 10

Serving temperature: 17 °C

Taste profile: Smooth juicy
