Château la Bridane - C.B. | St.-Julien
France (SAINT-JULIEN) — 2018

Domain

Ch. la Bridane

Beautiful domain located on the west side of the village of Saint-Julien. This domain has been in the possession of the Blancan and Saintout families for more than three generations. They consciously opt for a low return to achieve the best quality. Harvesting is done mechanically but a strict selection is made before the pressing takes place. Quality wines with a long aftertaste and a very typical perfume are made here thanks to the gravel surface.

Vinification

After the harvest, the fermentation follows on temperature-controlled stainless steel tanks. The wine ages for18 months in oak barrels, of which 2/3 are new. Clearance with proteins; wine is bottled unfiltered.

Taste

Wine with a beautiful intense color with purple and violet hues. In the nose very intense with impressions of candied fruit and a woody touch. In the mouth pleasant and fairly pronounced. Nice finish with ripe and firm tannins. Full and powerful wine.

Food pairing

Meat - red, grilled | Entrecote - grilled

General information

Type: Red wine
Grape varieties: Merlot, Cabernet Sauvignon, Petit Verdot
Viticulture: Sustainable/HVE
Storage (years): > 10
Serving temperature: 16-18 °C
