Domain

Dom. Brana

The Brana family started their own wine business in 1897, followed some time later by a wine estate. In 1974 a distillery was added, where distillates of a very high standard are produced. This domain, with a size of approximately 22 hectares, is located in the French Basque Country, i.e. the southwest of France. Typical for this appellation are the terraced vineyards. Passion, persistence and an ideal combination of tradition and innovation are the keywords here that lead to high-quality products.
