Domaine de Pellehaut - Harmonie Rosé | IGP Côtes de Gascogne France (Frankrijk) — 2025

Domain

Dom. de Pellehaut

The 550-hectare estate is managed by the two brothers, Mathieu and Martin Béraut, who continue a 300-year-old family tradition in Montréal-du-Gers, in the southwest of France. Of the estate, 180 hectares are planted with vines that are on average 30 years old. These are located on three ridges with mainly clay- and limestone-rich soils for the white Chardonnay grape and the red grape varieties. A section of the vineyard has clay and sandy soils, which produce refined and aromatic white grapes (Ugni Blanc, Sauvignon, Gros Manseng).

Food pairing

Wine to enjoy on its own | Appetizer snack | Meat - grilled | Aperitif
