Clos Saint Sebastien - Empreintes Blanc | AOP Collioure France (ROUSSILLON) — 2024

Domain

Clos Saint Sebastien

A rather "young" domain, founded in 2007 by 2 passionate wine lovers: Jacques Pirou, a man of character from the shipping industry and Romuald Peronne, the grandson of Rousillon wine growers.
The idyllic domain in Banyuls-sur-Mer was also certified in 2020 with a" Level 3 High Environmental" certificate. They owe this to their long-standing commitment to biodiversity, fertility management and ecological irrigation.
