Ehrhart – Pfohl – Vin Orange – Eclipse | Alsace | BIO France (France) – 2022

Domain

Ehrhart

The vineyards of the Ehrhart André family are located in Wettolsheim province, situated between the castles of Eguisheim and Hohlandsbourg. One has an area of more than 10 hectares of 'Appellation d'Origine Contrôlée' including four hectares in 'Appellation Grands Crus'.

Vinification

The grapes are sorted, destemmed and placed in a maceration tank for 18 days so that fermentation takes place with the skins as for a red wine. It is this maceration which will give it this beautiful orange color.

Taste

This is a surprising, tannic, dry wine with aromas of dried roses, spices and orange peel.

Food pairing

Appetizer snack | Cheese
