Domaine Saint Pierre - Sablet | Côtes du Rhône
France (RHONE) — 2023

Domain

Dom. Saint Pierre

This family estate is located in the south of the rich Rhone region where two brothers Jean-François and Philippe Fauque (3rd generation) manage everything in the right direction. The poor subsurface here is rich in lime and sand, so the grape growers have to work hard to get the necessary nutrients. The vines are between 10 and 45 years old, and have an average yield of 35 hl per hectare.
