Secret Vineyards

In May 2012, 4 friends are sitting around a table. They enjoy the good food and a few good bottles of wine. The evening is brightened up by opera, a performance by the well-known soprano Noémie Schellens. It is that evening that the idea for these wines was born. The logical name of the wine is "Noémie", as she was the crystal voice that accompanied them and made them enjoy that evening. The choice of bottle and painting also reflect the ambition to make a unique product.

The vineyards are located in the heart of the Pyrénées-Orientales department, between the Mediterranean Sea and the mountains of Corbières, Canigou and Albères.
