Salcheto Biskero | Chianti DOCG | BIO | 5+1 Promoprijs | Italy (TUSCANY) – 2023

Domain

Salcheto

Salcheto is located in Montepulciano, Tuscany. They have been around for over thirty years and have always approached the protagonist in Tuscan wine, the Sangiovese grape, with great respect.

It is a 50 ha domain, which was the first to make its own carbon and water footprint public. Natural yeasts and no sulphites are used to make wine.

The unique bottle, la Bordolese Toscanella, which is lighter than a normal bottle, has also been specially developed to limit the impact on the environment.

Food pairing

Vegetable platter | Italian dishes | Calfmeat
