Costa di Bussia | Langhe DOC (Piemonte) Chardonnay Italy (PIEMONTE) – 2024

Domain

Costa di Bussia

This winery is managed by the Sartirano family. The Costa di Bussia vineyards are located a few kilometers from the towns of Monforte and Castiglione Falletto and have an area of 133 hectares. The south-westerly oriented hills form a natural amphitheater and have a limestone and sand base, so that the grapes deliver full-bodied and aromatic wines.

Vinification

Après une macération à froid pour mieux conserver les arômes, les raisins subissent un pressurage doux. La fermentation a lieu en acier inoxydable à température contrôlée. Le vin repose ensuite pendant 6 mois sur ses lies avant d'être mis en bouteille.

Taste

A characteristic Chardonnay from the Langhe region. This wine is very aromatic, including pear, apricots, banana and melon. It is a beautiful, mineral, round wine with lots of freshness, earthy tones and hints of pear and melon, with a bitter hint at the end.
