Weingut Ritterhof – Blauburgunder | Südtirol DOC Italy (ALTO ADIGE – SUD TIROL) – 2023

Domain

Weingut Ritterhof

Enclosed in the middle of mountains and vineyards along the South Tyrolean wine route lies the wine village of Kaltern, and it is exactly here, on the wine route No. 1, that the Ritterhof winery is located. The small winery is managed with dedication by the Roner family from Tramin. Traditions have been passed on from generation to generation, combined with harmony with nature and the latest technology. These elements form the basis for the production of fruity white and full-bodied red wines.

Vinification

The Jansen vineyard is just below the village of Montan in the Lowlands. The Pinot Noir vines are grown over Guyot-system trellises at an altitude of 450 - 600 metres. The gravelly clay soil gives this wine its quintessential minerality. Vinification: After the traditional maceration of the Pinot Noir grapes in open fermentation tanks, the wine is aged in large wooden barrels and small barriques. Harvest and Yield: The grapes for this Pinot Noir reach their ideal stage of ripeness in early to mid September when they are picked by hand to produce a yield of 65 hectolitres of wine per hectare.

Taste

This Blauburgunder Jansen is more of a classic Burgundian style by Pinot Noir, with hints of raspberry, currant and cherry in the nose and mouth. Very elegant and structured in the mouth with a medium finish.
