Domain

Weingut Ritterhof

Enclosed in the middle of mountains and vineyards along the South Tyrolean wine route lies the wine village of Kaltern, and it is exactly here, on the wine route No. 1, that the Ritterhof winery is located. The small winery is managed with dedication by the Roner family from Tramin. Traditions have been passed on from generation to generation, combined with harmony with nature and the latest technology. These elements form the basis for the production of fruity white and full-bodied red wines.

Vinification

The grape growers grow in pergola at 220 - 450 m above sea level. Fermentation of grape varieties takes place separately, for 10 days at 28 ° C. After assembly, the wine is stored in foudres.
