Tenuta Carretta - Cascina Bordino | Barbaresco Riserva DOCG Italy — 2019

Domain

Tenuta Carretta

This domain has been owned by the Miroglio family since 1985 and also owns an industrial textile group.
Its surface covers 65 hectares and is part of an exceptional area declared a UNESCO World Heritage Site. The family also owns 2.6 hectares of vineyards on the prestigious Cannubi Hill (Barolo).
The name Carretta is derived from the word "car", which means stone. This has ensured that the name Carretta was given to the nearby chalk bank that lies on the surface near the entrance and extends no less than a kilometer far to the east.

Vinification

The grapes that go into Barbaresco Riserva DOCG Cascina Bordino are harvested in the winery's vineyards of the same name, located on the eastern side of the municipality of Treiso. These are among the vineyards with the best exposure on the whole hill, characterised by a steep slope and sandy soil with silty grey marly inserts making for a lean, compact soil.

Taste

The Cascina Bordino vineyards have a great vocation for quality wine-making, producing Nebbiolo grapes appropriate for long ageing on the skins. The result is a wine that stands out for its aromatic intensity, elegance and complexity, a Barbaresco that encloses and expresses the company's long history and passion for great Nebbiolo wines.
