

Domain

Tacchino

Monferrato is traditionally a famous wine region, in the Piedmont in Italy, where the vineyards cover the hills like a blanket. The Tacchino winery (around 25 hectares, half of which are planted with vines) is in the heart of this green area. The domain has the shape of a natural amphitheater, which protects the vineyards against the cold northern wind from the Alps. The southern location of the vineyards, the 'white' lime-rich soil, the relatively low production per hectare and the traditional way of harvesting are among other things the secret of these high-quality wines.

Vinification

Temperature controlled fermentation at 12°/14°C in stainless steel tanks. Aged in stainless steel tanks on the lees for at least 3 months and then in bottle for the time needed.

Taste

It is a light wine with fine non-expressive aromas. Half full with a good ratio between fruit and minerality. Not the most powerful wine, but lots of finesse.

Food pairing

Cheese - mozarellacheese | Salades | Scampi | Antipasta | Crustacea | Aperitif

General information

Type: White wine

Grape varieties: Cortese (100%)

Viticulture: Traditional

Storage (years): + 2-3

Serving temperature: 8-10 °C

Taste profile: Aromatic fresh
