**Az. Guerrieri – Celso Bianchello Del
Metauro Superiore DOC (Marche)
Bianchello
Italy – 2019**

Domain

Az. Guerrieri

In the rolling hills between the village of Fano and Senigallia, surrounded by vines and olive trees, lies the wine estate Guerrieri. Here three important principles are held in high esteem, namely modesty, respect for the land (nature) and solidarity. This domain is committed to intervening as little as possible in the vineyards, which cover an area of 70 hectares. The family's olive trees cover 30 hectares, in addition they manage 95 hectares on which they grow grain. The energy used is also green and they partly produce it themselves. For decades wine, oil and pasta have been made here with an unseen passion.

Vinification

Soft pneumatic pressing to preserve the aromatic integrity of the grapes. Vinification in white after a thermo-controlled fermentation. After this the wine ripens for a few months on its lies. The ripening 'sur lies' and the lower yield per plant, together with a later harvest, makes the difference with their "normal" Bianchello.

Year specific information

Commended Wine Winner International Challenge Luca Maroni Wine Guide 93/100

Taste

This wine has a straw yellow color with golden hues. It has a full taste and is nicely balanced with a prominent scent of white flowers and aromatic herbs.

Food pairing

White meat | Shellfish - sea mussels | Fish - in papillote
