Cantina Santa Maria La Palma - Papiri | Vermentino Di Sardegna DOC | Vermentino
Italy (SARDEGNA) — 2025

Domain
Cantina Santa Maria La Palma

700 hectares situated in what is considered to be the best wine regions in Sardinia: there, in the rolling hills and endless plains, are the vineyards of the Santa Maria La Palma wine estate, where there are ideal climatic conditions. The mild temperatures and the exposure to the incoming sea breeze create an environment that stimulates the production of high quality wines.

Vinification
We selected the oldest and best Vermentino vineyards to create this wine. After a slow and long ripening, each grape is picked by hand, so that one can fully taste the true expression of this grape variety.

Taste
This wine has a straw yellow color with an intense bouquet of aromas of melon, banana and bitter almond. The mouthfeel is full and soft, intense and fruity with a long final and a small, typical Vermentino bitter in the aftertaste.

Food pairing
Quiche | Fish - cod | Asparagus | Scampi in curry sauce | Ravioli - with ricotta cheese | Fish - shellfish | Crustacea | Pasta with crustacea
