**Domain**

**Tenuta Cavalier Pepe**

Tenuta Cavalier Pepe is a winery with 60 hectares of vineyards and 11 hectares of olive groves. The Pepe family is an ancient one in Irpinia, which has for generations been dedicated to the production of wines, marketed throughout Italy and internationally. They are located in the heart of Irpinia, the premier winegrowing area of Campania. Since ancient times, Campania has been known to produce quality wines, such as Falerno, Greco, Faustiniano and Caleno. These were considered the “wines of the emperors” and praised by the greatest classic writers like Cicero, Plinio, Martial and Tibullo.

Thanks to the unique combination of altitude, soil and microclimate, Irpinia’s vines are among Italy’s most prestigious.

**Vinification**

Own Estate vineyards located on hills in Luogosano and Sant’Angelo all’Esca at above 350 mt. above sea level. The soil type is clay-like and chalky. The grapes are hand-picked, de-stemmed and undergo an initial cold maceration. After a few hours of contact of the skin with the wort, the grapes are pressed and the must ferments at low temperature. The wine further matures in the bottle.

**Taste**

This rosé shows a pale pink colour. Notes of flowers and fruity scents like cherries and wild strawberries disperse from the glass. In the mouth, this wine is fresh, and quite savory with a long finish.
