Feudo Solaria - Moro | Sicilia DOP Nero D'avola
Italy (SICILIA) — 2023

Domain

Feudo Solaria

Since its foundation in 1887, Feudo Solaria has been dedicated to a continuous pursuit of quality and authenticity for five generations. Based in Milazzo, in northeastern Sicily, the vineyards stretch along the Tyrrhenian coast of the province of Messina, with the Aeolian Islands on the horizon. The distinctive landscape, where the coastal plain gives way to rolling hills, provides a unique terroir for viticulture. Here, centuries-old traditions and expertise in Sicilian winemaking are combined with modern viticultural and cellar techniques. The winery has been completely modernised and equipped with advanced technology. The result is a harmonious balance between tradition and innovation, with the character of the terroir and the individuality of the grapes remaining at the heart of every wine.
