

Conti Thun – Micaela Valtènesi – Rosé | Riviera del Garda Classico DOC Italy (Italy, Italië) – 2024

Domain

Conti Thun

Conti Thun is a family-owned boutique winery located in the Valtènesi, near the western shore of Lake Garda. The family's winemaking tradition began in South Tyrol, in Terlano, and has since extended to the gentle hills of the Riviera Gardesana. The winery focuses on producing high-quality wines that reflect the unique characteristics of the region's terroir.

Vinification

A wine that comes from a blend of indigenous grapes: Groppello, Barbera, Sangiovese and Marzemino, processed using the soft-pressing method, a few hours of contact between must and skins. Subsequent racking by the expert hand of our oenologist produces freshness, temperament and the unique colour that distinguishes its character.

Taste

A bright colour of rose petals. This rosè stands out with its crispy peach bouquet, hints of strawberry, blueberry and elegant raspberry nuances. Citrusy touches and a light almond note emerge on the finish, which persists elegantly. This wine is characterised by lively freshness, savouriness, a balanced structure and intensity.

Food pairing

Pizza | Fish - appertizer | Charcuterie | Aperitif

General information

Type: Rosé

Grape varieties: Sangiovese, Marzemino, Barbera, Groppello
