Conti Thun - Seleccioné Rosa - Rosé - MAGNUM | Riviera del Gardo Classico DOC
Italy (Italië) — 2023

Domain

Conti Thun

Conti Thun is a family-owned boutique winery located in the Valtènesi, near the western shore of Lake Garda. The family's winemaking tradition began in South Tyrol, in Terlano, and has since extended to the gentle hills of the Riviera Gardesana. The winery focuses on producing high-quality wines that reflect the unique characteristics of the region's terroir.

Vinification

The grapes are carefully harvested from the vineyards surrounding the estate, in the rolling hills of Valtenesi, west of Lake Garda. After a very short maceration, the grapes undergo gentle pressing, followed by fermentation. The wine is then aged, with 80% maturing for 4 months in cement vats and 20% for 3 months in ceramic ageing vessels (Clayvers).

Taste

An elegant rosé with a delicate, pale pink hue. The nose reveals refined floral aromas of rose and ripe peach, complemented by vibrant citrus notes and subtle hints of raspberry. On the palate, intense freshness and persistent minerality create a beautifully balanced wine. This rosé impresses with its layered complexity and finishes with a long, harmonious finish.

Food pairing

Shellfish | Fish - Red mullet | Pasta | Italian dishes | Sushi

General information

Type: Rosé
Grape varieties: Sangiovese (33%), Barbera (33%), Groppello (33%)
Viticulture: Traditional
Storage (years): + 3-5
Serving temperature: 10-12 °C
