Domain

Az. G. Milazzo

The Azienda Agricola G. Milazzo is located in the province of Agrigento, southern Sicily. The domain includes more than 75 hectares of vineyards, 400 m above sea level.

The Milazzo family has been associated with the traditional agriculture of the island of Sicily for over 150 years. They attach great importance to native species and grow them organically. This method has been officially certified since 2012, after starting the organic procedure five years earlier.

They have their own hallmark for purity: the kingfisher, itself a small water bird that can only survive in uncontaminated environments.
