Julius Klein - Rebhuhn | Weinviertel | Gemischter Satz Austria (WEINVIERTEL) — 2025

Domain

Julius Klein

The Klein family has been making wine since 1788. About 50 kilometers north of the Danube and Vienna lies the wine-growing region Weinviertel in the province of Nieder-Österrreich. With 18,000 hectares of vineyards, this is also the largest wine-growing region in Austria.

Vinification

This cuvee is made from the harvest of 30 year old grape vines planted together in the same vineyard. After hand picking, there is a 3 hour skin contact. The vinification takes place 100% in stainless steel barrels.

Taste

A whole bucket of aromas in this pale straw yellow wine with green sparkles: elderflower, peach, apple, as well as a light spiciness. Minerality can also be found. Nicely balanced; invigorating and refreshing with soft acidity in the final, and a fruity aftertaste.

Gamba - grilled | Fish - in papilotte | Aperitif
