Pago Calzadilla - Gran Calzadilla | Vino do Pago DO Spain (PAGO) — 2014

Domain

Pago Calzadilla

Pago Calzadilla is a domain of 26 hectares, of which 20 are planted with vineyards. The domain is located southeast of Madrid in the province of Cuenca. It is ideally located on the Rio Mayor in Huete. Since its foundation in 1980, it has been a family business dedicated to the production of quality wines. This quality, together with the location of the domain outside the traditional appellations, has led to the award of the "Vino de Pago" label. Vino de Pago is a high quality appellation in Spain. Pago Calzadilla was one of the first domains to receive this appellation.

Vinification

This wine, which is only produced in the best years, comes from 2 specific vineyards with limestone soil called 'Bildorado' and 'Serrazuela', located near the bodega. The wine ages for 18 months in American oak barrels.
