Sios - Alto | Costers del Segre DO Catalunia | BIO Spain (CATALUNA) — 2022

Domain

Sios

The domain, which belongs to the Porcioles-Biuxo family, is located in the Noguera region, which belongs to the DO Costers del Segre. This is an appellation situated along the river Segre in the northwest of Cataluña. The "Segre" is one of the most important tributaries of the Ebro, which originates in the French Pyrenees and flows into the Catalan province of Lleida. It is a very large domain with an area of ??700 ha of which 71 ha is used for viticulture.

Vinification

Modern red wine from their best plots. The grapes come from 6 different plots and are macerated cold before fermentation. After the malolactic fermentation, the wine continues to mature in barriques (small French oak barrels of 225 liters).

Taste

The wine has an intense ruby ??appearance with strong aromas of black fruit (black and blue berries), rosemary and, in the end, chocolate, toast and a wood impression. In the mouth we feel a soft attack with a rich structure. The wine is full-bodied. He has a good acidity and a long final.

Food pairing

Meat - roasted | Lambscarré - roasted | Poultry - chicken, roasted | Wild mushrooms | Cheese - aged
