Pago Calzadilla - Allegro | Vino do Pago DO | Syrah Spain (PAGO) — 2018

Domain

Pago Calzadilla

Pago Calzadilla is a domain of 26 hectares, of which 20 are planted with vineyards. The domain is located southeast of Madrid in the province of Cuenca. It is ideally located on the Rio Mayor in Huete. Since its foundation in 1980, it has been a family business dedicated to the production of quality wines. This quality, together with the location of the domain outside the traditional appellations, has led to the award of the "Vino de Pago" label. Vino de Pago is a high quality appellation in Spain. Pago Calzadilla was one of the first domains to receive this appellation.

Vinification

The vineyard is located on a hill at an altitude of 1000 meters above sea level. The soil is rich in lime and has clay in the substrate. This is a nutrient-poor environment that ensures a wine with a strong character. The wine ages 12 months in French oak barrels of 300 and 500 liters, as well as in large casks of 3500 L.
