

Eguren Ugarte – Blanco | Rioja DOC Spain (RIOJA) – 2023

Domain

Eguren Ugarte

The wine comes from the vineyards "El Monte", which are located in the domain Heredad Ugarte. The "Tolono" mountain range protects the vineyards against the cold north winds and forms a micro climate that is ideal for the ripening of the grapes. The domain includes 130 hectares of vineyard located on the best clay and limestone soils in the Rioja (Alaveisa) region, near La Guardia. 85% of the vineyards are planted with the traditional Tempranillo grape and the remaining 15% are planted with Grenache, Graciano and Mazuelo, on average 40 years old.

Vinification

A cold prefermentary maceration precedes the gentle pressing of the grapes. The juice is transferred and the must remains. The fermentation is temperature controlled at 12 ° C.

Taste

The wine immediately stands out for its light, straw yellow color. The aroma is dominated by primary fruit aromas such as pear, peach, nectarine, citrus, and grassy notes. On the palate, we experience the perfect marriage between a full mouthfeel and a refreshing, balanced acidity.
