Andres Sisters - Can Xa - Brut | Cava Spain (CAVA) —

Domain

Emendis

This domain has 48 hectares of vineyards, located on the slopes of Muntanyans, on which 12 different wine varieties are grown. The most modern production techniques are available here, so that the highest quality can be guaranteed throughout the entire vinification process. The cellars also form a unique whole at a depth of about 10 meters, where tradition and the past go hand in hand with the future.

Vinification

The vineyard consists of 48 hectares of clayey soil, low in organic material and chalk which brings the acidity necessary to maintain a fresh taste of the cava. One of the most emblematic parts of the winery is the impressive structure of cava. This is a rather unique dome-shaped building 10 meters deep allowing naturally maintain a constant temperature (around 14 °C) throughout the year.

Taste

Can Xa has a clean, fresh nose with aromas of citrus, green apple and tangerine. The fruit aromas are supported by the distinct presence of toast. It is a rich cava with remarkable acidity, a fine bubble and an elegant finish

Food pairing

Tapas | Cheese - soft | Fish - carpaccio | Aperitif
